*Bible Reading Plan*

## **Bible Reading Plan Instructions**

- 1) Because the Bible is God's Word, it must be a daily part of our walk with God. Here are a few suggestions for reading:
  - a) Before you read, pray that God will speak to you through His Word. Ask God for wisdom to understand His Word (James 1:5).
  - b) As you read, look for ways to apply God's Word in your life *today*.
  - c) After you read, review God's Word throughout the day. Ask, "What is God teaching me through His Word today? What actions should I take? What words should I say? What attitudes should I have?"
  
- 2) You may choose one of two ways to follow this Bible reading plan.
  - a) Read all chapters as indicated
  - b) Read bite-sized pieces. If this is your first time to read through the Bible, you may find the amount of reading to be overwhelming. In that case, do not press to finish the Bible in one year. You may want to take two years for this project. To follow this approach, read each day until God speaks to you through His Word. Stop and meditate on what He is teaching you. Mark where you are and resume reading the next day. It is better to read a little with understanding than to read a lot with no understanding.
  
- 3) Each day's reading has an introduction (marked \*) and some questions (marked?). The questions encourage you to think more deeply about what you read. You do not need to answer every question. Instead, choose one of the questions for the day and think about it as you read.
  
- 4) At the end of each week's reading, you will be asked to write down a lesson you have learned from the week's reading. This is an important time to reflect on what God is teaching you through His Word. We do not read God's Word for information alone; we read God's Word to be transformed. As you reflect on the readings, look for your SPACE in the Bible. Ask:
  - Is there a SIN I should avoid?
  - Is there a PROMISE I should claim?
  - Is there an ACTION I should take?
  - Is there a COMMAND I should obey?
  - Is there an EXAMPLE I should follow?
